## PROGRAMME DAY 2 (May 25) | 14:00- 16:00

### WORKSHOP "Producing a Draft Zero version of the Roadmap for the Implementation of the All-Atlantic Ocean Data Space"

- Participants will be divided into three working groups to debate fundamental questions regarding the development of the Roadmap for the Implementation of the All-Atlantic Ocean Data Space. These working groups will already be established prior to the workshop.
- This will form Draft Zero of the "Roadmap for the Implementation of the All-Atlantic Ocean Data Space", which will be fine-tuned at the All-Atlantic Forum scientific event in Brasilia on 2 June 2022.

### Working Group 3: Defining the overarching structure of the Roadmap for the AAODS

Facilitator: Olga Sato (University of São Paulo- USP) | Brazil

Key Questions:

- What are the core elements of the "Roadmap for the Implementation of the All-Atlantic Ocean Data Space"?
- What layers can be added?

15:05 - 16:00

### DISCUSSION & FORUM CONCLUSION

Facilitator: Tina Dohna (PANGAEA / Zentrum für Marine Umweltwissenschaften - MARUM)

- Presentation of results from Working Groups 1, 2, 3
- Discussion
- Closing
- Nikki Funke (CSIR) | South Africa

In association with the international community
