

Dr. Achim Schlüter

Working group leader Institutional and Behavioural Economics; Department leader of the Social Science Department, Leibniz Centre for Tropical Marine Research, Bremen, Germany
Professor of Social Systems and Ecological Economics, Jacobs University, Bremen, Germany

Contact: achim.schlueter@leibniz-zmt.de

Academic qualification & professional experience

- Since 2010 Working group leader Institutional and Behavioural Economics at the Leibniz Centre for Tropical Marine Research, Bremen, Germany
- Since 2010 Associate Professor for Social Systems and Ecological Economics, Jacobs University Bremen, Germany
- 2011-2016 Department head of the Social Science Department of the Leibniz Centre for Tropical Marine Research, Bremen, Germany
- 2010 Habilitation, Albert-Ludwigs University, Freiburg, Venia Legendi: Environmental Economic
- 2003 - 2010 Assistant professor at the Institute for Forest Economics of the Faculty for Forest and Environmental Science, Albert-Ludwigs University of Freiburg
- 2001 - 2003 Research Associate in the Department of Sociology and Social Policy, University of Newcastle upon Tyne, England
- 2001 Dissertation, Humboldt University Berlin
- 1997 - 2001 Scientific staff member in the Department of Resource Economics, Faculty of Agriculture and Horticulture, Humboldt University of Berlin
- 1997 Diploma of Economics, Philipps-University Marburg

Personal grants and prizes (selection)

- 2013 - 2016 Sub-Project Leader of "Science for the Protection of Indonesian Coastal Ecosystems" (SPICE) international project between various research institute in Indonesia and Germany, German Ministry of Science and Education; Partial Project Budget: ~200.000 Euro
- 2013 - 2016 Leibniz Graduate School SUTAS (Sustainable Use of Tropical Aquatic Systems) PhD Project about fishers behaviour in cooperation with Hauke Reuter; SAW-Leibniz Association; Partial Project Budget: ~150.000 Euro
- 2014 - 2017 Sub-Project Leader New Regional Formations; international research project in collaboration with University of Ghana, University of Semarang, Indonesia, ARTEC, IRS, KWI, Germany; Volkswagen Foundation; Partial Project Budget: ~200.000 Euros
- 2014 - 2018 Project Leader: "Contributing to Coral Commons", international research project in collaboration with PKSPL, Indonesia, GfK, RWI, ZEW, Germany; SAW-Leibniz Association; Budget ~1 Mio Euros
- 2015 - 2018 Aquaculture practice in tropical coastal ecosystems – understanding ecological and socio-economic consequences; Socio Economics; SAW-Leibniz Association Partial Project Budget: ~150.000 Euro

Current research projects

- 2019 - 2022 Social Ecological Tipping Points of the Northern Humboldt Upwelling System (Humboldt Tipping); cooperation in house: M. Wolff; German Ministry of Science and Education; Partial Project Budget: 200.000 Euros
- 2019 - 2022 Food for the Future (F4F); cooperation in house: A. Hornidge; A. Kunzmann; ; German Ministry of Science and Education; Partial Project Budget: 220.000 Euros
- 2019 - 2023 Identifikation, Demarkierung als Schutzgebiet und integriertes Management von besonders vom Klimawandel betroffenen marinen und Küstenzonen in Kolumbien (MIMAC); cooperation in house M. Wolff; BMUB/IKI/GIZ; Partial Project Budget: 200.000 Euros
- 2019 - 2022 Comparing Aquaculture Systems Sustainability (Compass); German Ministry of Science and Education; Project Lead; Budget: 695.000 Euros
- 2019 - 2022 Sea level change and the Tragedy of Cognition: A comparative study on the role of cognitive biases in understanding sea level rise (SEATRAC); cooperation in house Agostino Merico, DFG; Partial Project Budget: 200.000 Euros
